STRATEGIC PLAN GOALS

- Ensure all Idaho children are reading on grade-level by third grade
- All Idaho students persevere in life and are ready for college and careers
- Collaborate with all Idaho education stakeholders to support student progress and achievement
- Idaho attracts and retains great teachers and leaders

Federal Programs Department Mission Statement

To provide differentiated support to meet the unique needs of students, schools and institutions through the strategic use of funds and human resources.

Title I-A: Improving Basic Programs

Provide all children the significant opportunity to receive a fair, equitable and high-quality education

Objectives

- Assist LEAs in closing the educational achievement gap for at-risk students
- Assist LEAs in strengthening Schoolwide and Targeted Assistance programs
- Activities

Program resources

- Program technical assistance
- Targeted Assistance and schoolwide programs training
- Program monitoring and trainings

Family and Community Engagement (FACE)

Enhance family engagement practices and improve student achievement

Objectives

- Provide effective practical methods and strategies for family engagement

- Assist/provide technical support for development of district/school family engagement plans and school/parent compacts

Activities

- Purposity – technical support and statewide community awareness
- FACE statewide newsletter with tips and strategies to enhance family engagement
- Regional FACE meetings to support LEAs
- Idaho Family & Community Engagement Conference

Foster Care

Collaborate with LEAs and CWAs to provide the best interest determination for a child in foster care

Objectives

- Assist LEAs in determining a school placement that is in the best interest of the children in foster care
- Ensure LEAs have process to provide transportation and school records upon immediate enrollment of the child

Activities

- I-CARE electronic letter notification system – technical support
- Ensure implementation of ESSA provisions with local CWAs
- Training workshops for LEAs/schools

School Improvement & Support

Improve the quality of teaching and learning in schools

Objectives

- Improve and enhance educational systems to increase student learning
- Improve performance and quality of teachers and leaders

Activities

- Develop curricula and teaching strategies to help break down barriers that prevent success

Activities

- Providing training and technical assistance to districts
- Monitor and review programs
- Provide statewide Go-To Instructional Strategies trainings for classroom teachers of English Learners
- Oversee the English Learning Management System (ELMS)

Title IV-A: Student Support and Academic Enrichment

Improve academic enrichment by increasing the capacity of all stakeholders

Objectives

- Provide all students with access to a well-rounded education
- Improve school conditions for student learning
- Improve the use of technology to improve academic enrichment and digital literacy

Activities

- Program resources
- Program technical assistance
- Program monitoring and trainings

Title V-B: Rural Education Initiative

Support a broad array of local activities to support student achievement

Objectives

- Support LEAs in ensuring that rural school students achieve at the same level of proficiency as all other students
- Ensure rural school students have access to higher education resources to be successful after high school

Activities

- Measurable achievement goals in application
- Annual evaluation and data reporting
- Oversight and technical assistance to grantees

Title IX-A: Homeless Children and Youths

Ensure the education rights and protections for children and youth experiencing homelessness

Objectives

- Improve identification of homeless children and youth
- Remove enrollment and achievement barriers for students
- Ensure school stability

Activities

- Ongoing liaison training and technical assistance
- Identification and rights resources and materials
- Program monitoring and review

Funding and Accountability

All federal programs are supported by this.

Coordinate financial aspects necessary to implement the goals of the Federal programs

Objectives

- Ensure transparency, accountability, fiscal compliance and effectiveness of Federal Programs

Activities

- Gather, share and analyze fiscal data
- Technical assistance and guidance
- Pre-approve grant plans, review payments, evaluate sub-grantees' performance and risk management

Equitable Services to Private Schools

School districts are required to provide equitable services to private school students and teachers under a number of the ESSA programs

Objectives

- Insure districts and private schools are working together to meet the needs of Idaho's students

Activities

- Provide training and technical assistance to districts and private schools
- Collect, monitor and report data related to equitable services
- Respond to disputes between private schools and districts related to the services
